

Golf Green Community Newsletter

May 2020

Thank you to all residents for your responsibility and cooperation during the Corona Virus restrictions in the complex. The health and safety of our community is of utmost importance. Email notifications from Sunstate Management are being sent as needed to keep residents current on the status of the restrictions.

Upcoming projects:

- The Clubhouse Update Committee has been busy with plans for improving and upgrading our clubhouse. Acoustic panels have been installed to help alleviate the noise level. New furniture has been ordered and will be delivered in the fall when the clubhouse has been cleared of pool furniture. The committee continues to plan further updates – exciting to look forward to!!
- The palm trees will be trimmed and some removal of trees will occur to keep our community looking as wonderful as ever!
- The pickleball courts are scheduled to be resurfaced and lined during the summer – will be bright and inviting!
- The roofs will be cleaned and resealed during the summer months.

Golf Green has a **website** that is available for residents to access information, forms, events, etc. The site is: mygolfgreen.com. To access address lists, etc. a password is required. The password is gg34292.

Reminders:

- No unit shall be occupied by relatives or guests while the unit owner is not in residence, unless such persons have been authorized by written correspondence to the association Board of Directors from the unit owner prior to occupancy. Also, the leasing or rental of any unit is prohibited with the exception of those owners who voted against or did not vote against the amendment to the Declaration of Condominiums.
- For hurricane preparedness please put all items in your entry way away (pots, hanging items, rugs, etc.) if you are leaving your residence for the season.
