

Golf Green Community Newsletter

December 14, 2020

- Our quarterly assessment is going up 2.5 % to \$1000.00 a quarter. For those that have the amount automatically withdrawn from your account please update your payment amount. The first \$1000.00 payment is due on January 1st.
- The Christmas lights are up and look great. Thanks to all who helped.
- Reminder; our neighborhood is no pets! This includes visitors pets!
- Another reminder; the speed limit is 10 MPH.
- Help needed: There are sign up sheets in the clubhouse for pool testing (covered thru January) and pool covering / uncovering during cold weather. Questions on what these jobs entail can be answered by Carol or Chuck.
- Pool testing is 4 days a week and takes less than 5 minutes. Pool covering is best done with 2 people and takes about 10 minutes. Pool cover only needs to be done when the temperature goes below 60 degrees.
- The clubhouse remains closed to activities, pool is open to residents. Guests are welcome as long as the owner is present.
- We hope everyone has a safe, happy and healthy holiday season. Let's hope that 2021 brings back some normalcy!!!

Regards,

Golf Green Board of Directors
