

Golf Green Newsletter – December 2018

Golf Green is certainly decked out for the holidays. We would like to thank all those who donated lights, trees and their time to make our home look so wonderful this time of year.

Our first ever Giving Tree was a huge success. The items were snatched up in a matter of days. All the gifts were beautifully wrapped and left under the tree until yesterday. They were delivered to Our Mother's House and hidden away to make one family's Christmas extra special. Thank you one and all for making this such a huge success. We were told that the woman will be sending a thank you note and we will be sure to share this with you all.

There will be a Christmas party in the club house on December 16th for all who wish to attend. You can sign up in the club house or get in touch with Connie or Geri. As always, it will be BYO.

Some upcoming dates to mark in your calendars:

- **January 3, 2019** – Fire Inspection of all buildings. Please have all outdoor furniture, planters, etc. moved out from the front door areas and the landings.
- **February 12, 2019** – All condo units will have their dryer vents blown out. If you do NOT want yours done, please contact Jim Gallagher
